Dear Parent or Guardian:

We are pleased to inform you that Kaleva Norman Dickson School District will be participating in the Community Eligibility Provision (CEP) as part of the National School Lunch and School Breakfast Programs for the School Year 2020-2021.

The GREAT NEWS is that ALL students enrolled at our school can receive a healthy breakfast and lunch at **NO CHARGE** to your household each day.

In place of the Free and Reduced-Price Meal Application we still need your household to **fill out and sign the Household Information Report**. This report is *critical* in determining the amount of money that our school receives from a variety of State and Federal supplemental programs like Title I A, At-risk (31a), Title II A, E-Rate, etc.

These supplemental programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional supports (staff, supplies & materials, etc.)
- Non-instructional services (counseling, social work, health services, etc.)
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

We are asking that you please complete and return to the school office as soon as possible to ensure that additional funding for our school is available to meet the needs of our students. All information on the report submitted is confidential. Without your assistance in completing and returning the attached report, our school cannot maximize the use of available State and Federal funds.

If we can be of any further assistance, please contact us at **231-477-5353**

Sincerely,

Marlen Cordes
Superintendent
